

ART with Mrs. Manning!

After-School Program 2011-2012

"Please join us for a creative school year packed with NEW and exciting for K-6. Fine art is as unique as the student who creates it!" –Mrs. Manning

Students meet **Tuesdays 3:30-4:30** during the 2011-2012 school year with professional artist, teacher, and former Touchstone Art Specialist, Sascha Gordon-Manning. Space is limited to allow individualized attention and opportunities for each student to balance their own ideas with real fine art skills, *not crafts!*
