

Dear Parent:

Fine Art Starts is a member of Artsonia.com ([www.artsonia.com](http://www.artsonia.com)), the largest online student art museum. You may view our current student gallery by going to the Artsonia website and entering our school name: Fine Art Starts. Artsonia showcases artwork from thousands of schools around the world. Artsonia's goals are to develop students' pride and self-esteem, increase their multicultural understanding through art and involve parents and relatives in student education and accomplishments.

In accordance with our policy, we are writing you to seek your permission for creating an e-portfolio for your child to showcase his/her artwork on our art school's web gallery on Artsonia. The permission will cover their tenure at our school.

Please read the note below, sign this form and return it to me so that I may publish your child's artwork. This is a unique, safe and exciting educational opportunity for the students.

Comments on your child's artwork: One of the most exciting features about being published on Artsonia's Art Museum is that friends and family can leave a nice comment for the artist and become a fan club member of the artist.

As a security feature, Artsonia requires the parent to pre-approve all comments before they are posted on the website. This is one of many examples of how important your child's safety and privacy are to Artsonia.
